### Power for the Forgiving

*Held*

*August 24-25,  
2007*

The theme for the Fall 2007 retreat was Power for the Forgiving.

### Water in the Desert

*February 1-2, 2008*

The theme for the Lent 2007 retreat will be Water in the Desert. Desert spirituality is an important component of both the Old and New Testaments as scripture was written for people living in a desert land and used that imagery to teach about how to find spiritual sustenance for the barren places in our lives. We will look to the mothers and fathers of spirituality who escaped to the Egyptian desert in the 4th century for additional inspiration as we consider the theme of water in the desert. This session will also focus on the practical nuts and bolts aspects of incorporating spiritual practices into your daily life.

*You must register by 5 p.m., January 18, 2008 in order to take part in this retreat.*
